DETAILED ACTION

Examiner's Amendment.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel claims 1-5, 7-10, and 13.

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Hybrid Integrated Circuit Package Substrate having at least one of the dielectric layers is a ceramic dielectric layer with one ceramic dielectric layer positioned with all the remaining dielectric layers on one side thereof and the ceramic dielectric layer is attached to the chip on the first surface of the hybrid IC carrier.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
